Volunteer Spotlight

COURTNEY BOLING

Courtney took on the big task of sorting through a large volume of leftover and newly donated clothing; gathering, organizing, pricing, tagging, and hanging each item. She absolutely knocked it out of the park, transforming the excess into a well-organized selection now available on the racks at Restored 367.

CHURCH COLLABORATIONS

Agape mailed a letter to all churches in Ohio Co. introducing the mission of the Refuge, and inviting them to be part of what God is doing in our community.

BY THE WORD OF THEIR TESTIMONY

Our Founder and Board President, Kayla Jo Smith, would be honored to speak with your church congregation, or leadership team about how your church's voice, prayer, and partnership can help create a place where women find safety, healing, and the unconditional love of Jesus.

ASK YOUR CHURCH...

Please ask your church if they have reached out or responded to the letter they received in April. If not, we appreciate your encouragement to them.

Focus on the Family Healing Trauma Free Video Series

"Even when trauma shakes your faith, God hasn't moved.

There are experiences that don't just affect your emotions, they unsettle your sense of safety and even how close you feel to God. You may still love Him and trust Him, yet quietly wonder why certain memories linger or why your reactions feel stronger than they used to. Trauma can leave real imprints on the heart and body. And sometimes the hardest part is not knowing how to reconcile what you believe with what you're feeling. The good news is that struggle doesn't mean your faith is failing, it means your wounds need care. That's why Focus on the Family created Finding Hope and Healing from Trauma, a free 8-part video series with licensed Christian counselor Eliza Huie. With biblical depth and practical insight, this series helps you understand how trauma affects you, and how Christ meets you gently in the middle of it. If you're longing for steady ground again, this series is a simple first step toward hope and healing." Access this free healing trauma video series [here](#).
