

Agape Love Women's Refuge

Sponsorship Opportunities & Needs Guide

Welcome

Thank you for your interest in supporting Agape Love Women's Refuge. Your generosity helps provide safety, stability, and hope for women in crisis. This guide outlines ways you can make a meaningful impact through financial support, in-kind donations, or event sponsorships.

Ways to Sponsor

1. Raise the Refuge – Facility Renovation 2026 Fundraising Campaign

Help us transform the facility into a safe, healing, and Christ-centered home for women in crisis:

Raise the Refuge is our community-wide fundraising campaign dedicated to increasing local awareness of Agape's services and securing the resources needed to prepare our facility for occupancy by completing the significant renovations needed to meet safety standards and create a functional space for women's restorative care. With your partnership, we can create a warm, welcoming, trauma-informed environment where women can heal, rebuild their lives, and encounter the love of Jesus.

At this time, the Refuge will include private office space, dedicated areas for intake and therapy, a group gathering room, and residential accommodations for up to six women.

Funds raised through this campaign support essential renovations such as:

- Structural and safety improvements
- Plumbing, electrical, and HVAC updates
- Bedroom, kitchen, and common-area renovations
- Security and accessibility enhancements
- Furnishings and client-care essentials

Join us in transforming lives – together, we can provide safety, hope, and opportunity to women in need
